

Dear Customer

CTD are pleased to confirm that the FM series (Frame size 075-190) of servo motors are compliant with the European Unions Restriction of Hazardous Substances (RoHS) Directive (2002/95/EC) and that to the best of our knowledge do not contain concentrations of the following substances above the maximum permissible limits

Substance	Maximum Concentrations*
Lead	0.1%
Mercury	0.1%
Hexavalent Chromium	0.1%
Polybrominated Biphenyls (PBB)	0.1%
Polybrominated Diphenyls Ethers (PBDE)	0.1%
Cadmium	0.01%

* % weight of Homogenous material.

When used with the following feedback options

095	U	2	B	30	1	V	A	AE	A	100	190
-----	---	---	---	----	---	---	---	-----------	---	-----	-----

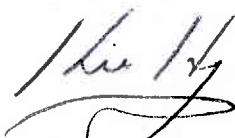

AE	Resolver (size 21)
EB	Heidenhain Sincos Multi turn 2048 ENDAT
EC	Heidenhain Sincos Multiturn 32 ENDAT
FB	Heidenhain Sincos Single turn 2048 ENDAT
FC	Heidenhain Sincos Single turn 32 ENDAT

The above applies only to standard catalogue items and not customer specific products. If you have a specific need that is not covered by the above range please contact our customer services department for advice.

I certify on behalf of Control Techniques Dynamics that to the best of my knowledge the above products meet the requirements of EU Directive 2002/95/EC.

Control Techniques Dynamics fully support the requirements of the above directive and its intentions and will continually review existing and future products for continued compliance.

Control Techniques will also review this declaration in line with changes identified in the actual directive and advise accordingly.

Mr Keith Hedges
Managing Director
